Work carried out by Envance on behalf of the client in accordance with the agreed terms of contract and/or written agreement form the agreed Services. The Services were performed by Envance with the skill and care ordinarily exercised by a reasonable Consultant at the time the Services were performed. Further, and in particular, the Services were performed by Envance taking into account the limits of the scope of works required by the client, the time scale involved and the resources, including financial and manpower resources, agreed between Envance and the client.

Other than that expressly contained in the paragraph above, Envance provides no other representation or warranty whether express or implied, in relation to the services.

This report is produced exclusively for the purposes of the client. Envance is not aware of any interest of or reliance by any party other than the client in or on the services. Unless expressly provided in writing, Envance does not authorise, consent or condone any party other than the client relying upon the services provided. Any reliance on the services or any part of the services by any party other than the client is made wholly at that party's own and sole risk and Envance disclaims any liability to such parties.

This report is based on site conditions, regulatory or other legal provisions, technology or economic conditions at the time of the Service provision. These conditions can change with time and reliance on the findings of the Services under changing conditions should be reviewed.

Envance accepts no responsibility for the accuracy of third party data used in this report.
