Conclusion / Summary:

Condition 6

Details have been submitted that provide the proposed materials, the dimensions the text wording and the location of the proposed interpretation panels which have been assessed by the Councils Conservation Officer. The position of the panel is close to the hedge line near the sculpture and in proximity to the public right of way network so is sensitively and appropriately sited. The size is not overbearing in scale and high quality materials ensure its appearance is acceptable and content relates to the relevant artwork and therefore the details will ensure that they preserve the significance of Bosworth Battlefield in accordance Policies DM11 and DM12 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016) section 16 of the National Planning Policy Framework.
