For the attention of Joanne Orton

Dear Ms Orton

I have been requested to provide additional information to assist in the above Town Planning application.

I therefore enclose a pdf file of the plans to be read in conjunction with the already deposited application and details.

I intend to forward to you 4 hard copies of the plans as i understand from previous applications that you are unable to print off A2
sized plans to scale.

I trust this will meet with your acceptance.

Should there be any further information required to be incorporated onto the drawings please advise and I will attend by return.

Regards

Andrew
