Description

Please describe details of the proposed development or works including any change of use

The application is to add a planning usage for a commercial element. The property is currently used as a dwelling house for the Farm Manager & for short term residential use by the charity, to accommodate beneficiaries of the charity whilst staying at the farm. The charity seeks the additional planing use so that when the residential part of the property isn't being used by the charity, it can be used as a short term holiday let. The funds from this occasional usage will serve as a revenue stream for the charity.

Good afternoon, Barnaby,

Thank you for agreeing to the amended description and the additional information, that's really appreciated.

For clarity, this is a residential property and therefore it does not benefit from Class R Permitted Development Rights. Whilst I appreciate that this proposed use is for a charity, a charity is not a planning use. Therefore, although the charity is using the dwelling for non-profit short-term holiday lets, this is considered a hotel/ guest house use (Use Class C1).

In light of this, the Local Planning Authority cannot allow the partial change of use of a residential property to a holiday-let use by means of a Certificate of Lawfulness application.

However, this does not suggest that such a proposal is inappropriate. I would therefore recommend that a full planning application is submitted to the Local Planning Authority for the partial change of use of the dwellinghouse to a mixed use as dwellinghouse (Use Class C3), a guest house use (Use Class C1) and office facilities/ visitor meeting space (Use Class E(g)(i)).

Kind regards,

Sullivan

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
