Dear Sir/Madam,

**INSTALLATION OF 2NO. VERTICAL STORAGE TANKS FOR CO2 AND NITROGEN
22 NEWTON ROAD, HINCKLEY, LEICESTERSHIRE ,LE10 3DS**

Thank you for the above consultation; received 20 March 2025.

Environment Agency Position

We have reviewed the information submitted in line with our remit and we have no objection to the proposed development as submitted.

We have reviewed the proposal and no concerns have been raised regarding the storage of carbon dioxide and nitrogen at the premises. We can confirm that neither substance is a COMAH Dangerous Substance.

If, however, the proposal subsequently changes such that you feel that it may pose a significant environmental risk then please do not hesitate to contact us and we will be pleased to review our response.

Advice to LPA/applicant

We recommend that the applicant seeks further advice from the Health and Safety Executive (HSE) to establish whether carbon dioxide and nitrogen fall within HSE regulations.

Yours faithfully,

Ms Georgia Griffiths
Planning Advisor
