Hi Chris,

I am being harassed to discharge a condition in respect of landscaping of the above site and I would appreciate your comments as soon as possible. I have no hard copies therefore will have to send a number of emails with relevant information on so please bear with me! The north west corner of the site is proposed as a storage building and servicing yard therefore an earth bund has been requested along with strong planting to help to screen this area from the nearby dwelling. Additional planting is proposed in the parking areas to the fore of the building. Further emails to follow, give me a call if you are unsure of anything. Many thanks.

Kind regards

Richard Wright
