Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

The Local Highway Authority (LHA) have reviewed the submitted documents and find it unlikely the proposals could be demonstrated to lead to an intensification of trips to the site.

As such, there would appear to be no material impact on the public highway and therefore the LHA has no comments to make in these site-specific circumstances.
