LCC Reference Number: 25/00598/FUL

Applicant:

Description of Application:
Construction of a new classroom

Location of Application:

**Stanton Under Bardon Community Primary School Main Street Stanton Under Bardon
Markfield Leicestershire**

Thank you for your consultation in respect of the above planning application. The County Council has considered the application, having regard to the Development Plan, National Planning Policy Guidance and other relevant material considerations. In this particular instance, the County Council, as Minerals and Waste Planning Authority, comments as follows;

The development site is located within a mineral safeguarding area for igneous rock. However, given the nature, scale and context of the proposal it does not raise significant mineral safeguarding concern. Thus, the Mineral Planning Authority would not require a Minerals Assessment for this application and would have no objections.

Furthermore, there are no concerns from a waste safeguarding perspective.

Yours Sincerely,

Charlie Cookson
Planning Officer
