Cornerstone is the UK's leading mobile infrastructure services company. We acquire, manage and own over 20,000 sites and are committed to enabling best in class mobile connectivity for over half of all the country's mobile customers. We oversee works on behalf of telecommunications providers and wherever possible aim to:

- promote shared infrastructure
- maximise opportunities to consolidate the number of base stations
- significantly reduce the environmental impact of network development

This application will be submitted for and on behalf of Cornerstone and comprises:

Proposed Base Station telecommunications installation. Proposed 20.00m High Streetpole on new root foundation together with 6No. Antennas, 2No. 300mm dishes, 2No. Cabinets and associated ancillary works. For Full details please refer to enclosed drawings, numbered: 100 - 301 (Revision A, Pack Issue A).

I write to formally advise you that, on behalf of Cornerstone, I am submitting a GPDO application to Hinckley and Bosworth Borough Council. The proposal consists of the development as described above. Attached is the formal Notice, advising you that you have 14 days from serving this notice to comment on the siting and design of the proposal to the planning section of Hinckley and Bosworth Borough Council if you so wish.

In the first instance, all correspondence should be directed to the agent.
