Applicant: Mr Nicholas Coote

Ward: Hinckley Trinity

**Hinckley & Bosworth
Borough Council**

Site: 132 Tudor Road Hinckley Leicestershire

Proposal: Notification to determine if Prior Approval is required for a single storey rear extension measuring 4 metres in depth, 3.40 metres height at ridge and 3 metres at eaves.

Case Officer

Zahra Jam-Rotbeh (Planning Officer)

1. Recommendations

1.1. Prior Approval not required

2. Planning Application Description

2.1. This is an application for prior approval for a larger home extension via Class A of Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) ('GPDO') at 132 Tudor Road, Hinckley.

2.2. The proposal is for erection of single storey rear extension that would in total externally measure 4.43 metres in width by 4 metres in depth. It would feature a flat roof and a roof lantern on top which would comprise a maximum ridge height of 3.60m and a maximum eaves height of 3.00m. To facilitate this development, the existing conservatory would be removed from the site.

2.3. The proposal would be located less than 1 metre from the site boundary.

3. Description of the Site and the Surrounding Area

3.1. The application site is a terraced, two-storey residential property on Tudor Road, Hinckley. It is finished in grey render with white uPVC openings.

3.2. The property is located on Tudor Road within a residential area. The area is characterised by terraced and semi-detached dwellings in different finishes, designs and sizes.

4. Relevant Planning History

4.1 There is no relevant planning history within this application site that is applicable to the current development proposals in the last 25 years.

5. Publicity

- 5.1 The application has been publicised by sending out letters to adjoining owners and occupiers in accordance with Paragraph A.2(5) of Class A of Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) ('GPDO').
- 5.2 No responses have been received.

6. Consultation

- 6.1 There is no statutory requirement to consult consultees on this type of application.

7. Policy

- 7.1 Class A of Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) ('GPDO').

8. Appraisal

- 8.1. The determination of this application is assessed on whether the proposed development falls within permitted development for a Larger Homes Extension as set out under Class A of Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) ('GPDO').
- 8.2. No objections were received to the application and therefore the requirements of Paragraphs A.4(7) and (9) of Class A of this Part are not applicable within the determination of this application.
- 8.3. For the purpose of Class A, development is not permitted if:
- (a) permission to use the dwellinghouse as a dwellinghouse has been granted only by virtue of Class G, M, MA, N, P, PA, or Q of Part 3 of this Schedule (changes of use);

Permission to use the existing property as a dwellinghouse has not been granted by Class G, M, MA, N, P, PA, or Q of Part 3 of this Schedule.

- (b) as a result of the works, the total area of ground covered by buildings within the curtilage of the dwellinghouse (other than the original dwellinghouse) would exceed 50% of the total area of the curtilage (excluding the ground area of the original dwellinghouse);

The total area of ground covered by buildings within the curtilage would not exceed 50% of the total area of the curtilage (excluding the ground area of the original dwellinghouse).

- (c) the height of the part of the dwellinghouse enlarged, improved or altered would exceed the height of the highest part of the roof of the existing dwellinghouse

The proposed extension would not exceed the highest part of the roof of the existing dwellinghouse.

- (d) the height of the eaves of the part of the dwellinghouse enlarged, improved or altered would exceed the height of the eaves of the existing dwellinghouse;

The height of the eaves of the proposed extension would not exceed that of the original dwellinghouse.

- (e) the enlarged part of the dwellinghouse would extend beyond a wall which—

- (i) forms the principal elevation of the original dwellinghouse; or
- (ii) fronts a highway and forms a side elevation of the original dwellinghouse;

The proposed extension would not extend beyond the principal elevation of the original dwellinghouse or side elevation which fronts a highway.

- (f) subject to paragraph (g), the enlarged part of the dwellinghouse would have a single storey and—

- (i) extend beyond the rear wall of the original dwellinghouse by more than 4 metres in the case of a detached dwellinghouse, or 3 metres in the case of any other dwellinghouse, or
- (ii) exceed 4 metres in height;

Not relevant- Paragraph (g) is applicable in this case

- (g) for a dwellinghouse not on article 2(3) land nor on a site of special scientific interest, the enlarged part of the dwellinghouse would have a single storey and—

- (i) extend beyond the rear wall of the original dwellinghouse by more than 8 metres in the case of a detached dwellinghouse, or 6 metres in the case of any other dwellinghouse, or
- (ii) exceed 4 metres in height;

The site is not within a Conservation Area.

The property is a terraced dwelling, and the proposed development would not extend beyond the rear wall by more than 6 metres and would not exceed 4 metres in height.

- (h) the enlarged part of the dwellinghouse would have more than a single storey and—
 - (i) extend beyond the rear wall of the original dwellinghouse by more than 3 metres, or
 - (ii) be within 7 metres of any boundary of the curtilage of the dwellinghouse being enlarged which is opposite the rear wall of that dwellinghouse;

The proposed extension would be single storey in nature.

- (i) the enlarged part of the dwellinghouse would be within 2 metres of the boundary of the curtilage of the dwellinghouse, and the height of the eaves of the enlarged part would exceed 3 metres;

The proposed extension would be within 2 metres of the boundary of the curtilage of the dwellinghouse, but the eaves would not exceed 3 metres in height.

- (j) the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse, and would—
 - (i) exceed 4 metres in height,
 - (ii) have more than a single storey, or
 - (iii) have a width greater than half the width of the original dwellinghouse;

The proposed extension would not extend beyond a wall forming a side elevation of the original dwellinghouse.

- (ja) any total enlargement (being the enlarged part together with any existing enlargement of the original dwellinghouse to which it will be joined) exceeds or would exceed the limits set out in sub-paragraphs (e) to (j);

The enlargement would not adjoin any existing enlargement and therefore Paragraph JA is not relevant in these site-specific circumstances.

- (k) it would consist of or include—
 - (i) the construction or provision of a verandah, balcony or raised platform,
 - (ii) the installation, alteration or replacement of a microwave antenna,
 - (iii) the installation, alteration or replacement of a chimney, flue or soil and vent pipe, or
 - (iv) an alteration to any part of the roof of the dwellinghouse; or

The proposal would not consist of any of the works detailed at Paragraph K of this Class.

- (l) the dwellinghouse is built under Part 20 of this Schedule (construction of new dwellinghouses)

The existing dwelling was not built under Part 20 of this Schedule.

A.2 In the case of a dwellinghouse on Article 2(3) land, development is not permitted by Class A if—

- (a) it would consist of or include the cladding of any part of the exterior of the dwellinghouse with stone, artificial stone, pebble dash, render, timber, plastic or tiles;
- (b) the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse; or
- (c) the enlarged part of the dwellinghouse would have more than a single storey and extend beyond the rear wall of the original dwellinghouse;
- (d) any total enlargement (being the enlarged part together with any existing enlargement of the original dwellinghouse to which it will be joined) exceeds or would exceed the limits set out in sub-paragraphs (b) and (c).

The existing property is not on Article 2(3) land and therefore A.2 of this Class is not applicable in these site-specific circumstances.

9. Equality Implications

9.1 Section 149 of the Equality Act 2010 created the public sector equality duty. Section 149 states: -

- (1) A public authority must, in the exercise of its functions, have due regard to the need to:
 - (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
 - (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
 - (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

9.2 Officers have taken this into account and given due regard to this statutory duty, and the matters specified in Section 149 of the Equality Act 2010 in the determination of this application.

- 9.3 There are no known equality implications arising directly from this development.
- 9.4 The decision has been taken having regard to all relevant planning legislation, regulations, guidance, circulars and Council policies, including General Data Protection Regulations (2018) and The Human Rights Act (1998) (HRA 1998) which makes it unlawful for the Council to act incompatibly with Convention rights, specifically Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).

10. Conclusion

- 10.1 In summary, no objections were received to the application and therefore the requirements of Paragraphs A.4(7) and (9) of Class A of Part 1 of Schedule 2 of the Town and Country (General Permitted Development) (England) (Order) 2015 (as amended) are not applicable within the determination of this application and prior approval is not required.
- 10.2 In light of the above, and based on the submitted details, the proposed extension would comply with the relevant limitations and conditions of Class A of Part 1 of Schedule 2 of the Town and Country (General Permitted Development) (England) (Order) 2015 (as amended). Therefore, prior approval is not required in these site-specific circumstances.
- 10.3 This application has been determined having regard to the following documents:
- Application Form
 - Site Location Plan
 - Proposed Block Plan
submitted with the application to the Local Planning Authority received on 17 March 2026 and:
 - Proposed Floor Plan, Drg No.3 Rev A
submitted with the application to the Local Planning Authority received on 24 March 2026 and:
