Re-consultation. Construction of manure and slurry stores with associated landscaping and other works

GENERAL DETAILS

Planning Case Officer: David Spring

Applicant: Mr Paul Hilyer

County Councillor: Cllr Peter Bedford

Parish: Desford

Road Classification: Class B

Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

The Local Highway Authority advice is that, in its view, the impacts of the development on highway safety would not be unacceptable, and when considered cumulatively with other developments, the impacts on the road network would not be severe. Based on the information provided, the development therefore does not conflict with paragraph 111 of the National Planning Policy Framework (2023), subject to the conditions and/or planning obligations outlined in this report.

Advice to Local Planning Authority

Background

The Local Highway Authority (LHA) were consulted on a full planning application for the construction of manure and slurry stores with associated landscaping and other works at Park House Farm Leicester Lane Desford. The LHA advise approval of the proposals subject to inclusion of conditions in its previous highway observations dated 11 September 2023.

The Local Planning Authority (LPA) has subsequently consulted the LHA regarding Andrew Large Surveyors' PROW Treatment Plan and Construction Traffic Management Plan (CTMP) which were submitted to the LPA on 6 October 2023.

The LHA has reviewed the details of the PROW scheme and CTMP and they are acceptable.

Conditions

1. Prior to first use of the development hereby permitted the scheme for the treatment of the Public Right of Way S2 shown on Andrew Large drawing: 'Park House Farm, Leicester Lane, Desford - ProW Plan', submitted to the Local Planning Authority on 6 October 2023 shall be implemented in full.

Reason: To protect and enhance Public Rights of Way and access in accordance with Paragraph 100 of the National Planning Policy Framework (2023).

2. The construction traffic management arrangements associated with the development hereby permitted shall be implemented in accordance with Andrew Large Surveyors Ltd, 'Construction Traffic Management Plan - Public Right of Way S2', submitted to the Local Planning Authority on 6 October 2023.

Reason: To protect the Public Right of Way and users in accordance with Paragraph 100 of the National Planning Policy Framework (2023).

Informative

The following notes should be drawn to the applicant's attention:

- Prior to construction, measures should be taken to ensure that users of the Public Right of Way are not exposed to any elements of danger associated with construction works.
- Public Rights of Way must not be re-routed, encroached upon or obstructed in any way without authorisation. To do so may constitute an offence under the Highways Act 1980.
- If there are any Public Rights of Way which the applicant considers impracticable to retain on their existing lines, a separate application for diversion is required. It should be submitted under the Town and Country Planning Act 1990 to the Local Planning Authority.
- The applicant is not entitled to carry out any works directly affecting the legal line of a Public Right of Way until a Diversion Order has been confirmed and become operative.

- If the developer requires a Right of Way to be temporarily diverted, for a period of up to six months, to enable construction works to take place, an application should be made to networkmanagement@leics.gov.uk at least 12 weeks before the temporary diversion is required.
- Public Rights of Way must not be further enclosed in any way without undertaking discussions with the Highway Authority (0116) 305 0001.
- Any damage caused to the surface of a Public Right of Way, which is directly attributable to the works associated with the development, will be the responsibility of the applicant to repair at their own expense to the satisfaction of the Highway Authority.
- No new gates, stiles, fences or other structures affecting a Public Right of Way, of either a temporary or permanent nature, should be installed without the written consent of the Highway Authority. Unless a structure is authorised, it constitutes an unlawful obstruction of a Public Right of Way and the County Council may be obliged to require its immediate removal.
