GENERAL DETAILS

Planning Case Officer: Sullivan Archer

Applicant: Mr Lovegrove

County Councillor: Groby & Ratby ED - Cllr Ozzy O'Shea

Parish: Ratby

Road Classification: Adopted Unclassified

Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

The Local Highway Authority advice is that, in its view, the impacts of the development on highway safety would not be unacceptable, and when considered cumulatively with other developments, the impacts on the road network would not be severe. Based on the information provided, the development therefore does not conflict with paragraph 116 of the National Planning Policy Framework (2024), subject to the conditions and/or planning obligations outlined in this report.

Advice to Local Planning Authority

Background

The Local Highway Authority (LHA) has been re-consulted by the Local Planning Authority (LPA), Hinckley & Bosworth Borough Council (HBBC), on a planning application which seeks the:

'Erection of one dwelling.'

The proposals are at 11 Danehill, Ratby, Leicestershire, LE6 0NG.

These observations should be read in conjunction with the LHAs previous observations provided on 14 March 2025, 14 January 2026 and 12 February 2026.

The LHA have responded to the LPA several times, latterly requesting a revised off-street parking layout due to concerns for pedestrian safety.

In response to the LHAs observations the Applicant has provided the following revised document:

- Proposed Site Plan and Floor Plan, drawing number 24-63.02 Rev F.

Having reviewed the drawing titled 'Proposed Site Plan and Floor Plan', drawing number 24-63.02 Rev F, the LHA are satisfied that whilst not strictly in accordance with the Leicestershire Highway Design Guide ([LHDG](#)) the access and internal layout are acceptable in these site-specific circumstances subject to the following condition.

Conditions

1. No part of the development hereby permitted shall be occupied until such time as the access arrangements and onsite parking have been provided as shown on Proposed Site Plan and Floor Plan, drawing number 24-63.02 Rev F have been implemented in full. Thereafter the access and onsite parking provision shall be kept available for such use in perpetuity.

REASON: To ensure that vehicles entering and leaving the site may do so in a slow and controlled manner and to ensure that adequate off-street parking provision is made to reduce the possibility of the proposed development leading to on-street parking problems locally, in the interests of general highway safety and in accordance with the National Planning Policy Framework (2024).

Informative

Planning Permission does not give you approval to work on the public highway. Therefore, prior to carrying out any works on the public highway you must ensure all necessary licences/permits/agreements are in place. For further information, please telephone 0116 305 0001. It is an offence under Section 148 and Section 151 of the Highways Act 1980 to deposit mud on the public highway and therefore you should take every effort to prevent this occurring.
