Dear Barrie

APPLICATION NO. 09/00141/DEEM
NEW ARTS AND MEDIA BUILDING FOR NORTH WARWICKSHIRE & HINCKLEY COLLEGE
ALTERNATIVE BRICK

Following the construction and your site inspection / review of sample brickwork panels using the originally submitted brick (Furness – Regency Old Victorian Press) and an alternative (Carlton – Milltown Smooth Red), we confirm that we could be grateful if you would substitute the Milltown Smooth Red in place of the Regency Old Victorian Press brick.

We also confirm that a coloured mortar has been used within the Milltown Smooth Red (Tilcon Y115), which is proposed to be incorporated into the brickwork of the new college.

We trust that the above is satisfactory, but if you do have any queries, please do not hesitate to contact us.

Yours sincerely
