Explore or Commute By Foot

Walking is a healthy, environmentally friendly and free way to travel. When commuting to school work, consider walking for part or all of your journey. There are also numerous recreational walks and footpaths around the Stoke Golding area, allowing you to explore with ease. The Ashby-de-la-Zouch Canal path, for example, takes you all the way into Hinckley.

Use apps like Komoot to find quieter commute routes.

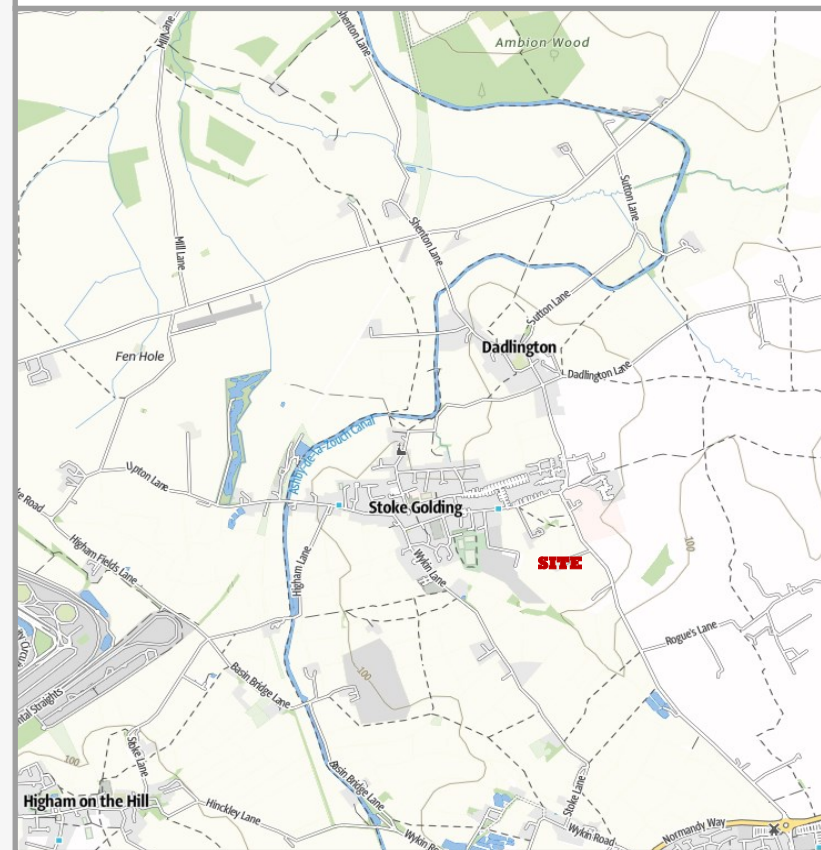

Explore or Commute by Bike

Cycling has the potential to replace short car trips. From Stoke Golding, it is a short distance by bike (approx. 5.5km or 6.5km respectively) into Hinckley or Nuneaton. Follow either quieter road routes, the National Cycle Route 52 or cycle paths into both towns for an active commute.

A map of the cycle routes from Stoke Golding is available on the next page and can also be found online. See the relevant links or QR codes below.
