Extension to hall's entrance and minor alterations

Landscape Statement

Statement

This planning application is for a small extension and minor internal alterations to a listed place of worship.

No impact or alterations are proposed to the existing landscaping, both hard and soft, except for a small area of courtyard beside the hall's entrance door. This is finished in concrete slabs and will be replaced by the new extension.

The driveway and footpath plus the garden area to the rear and the planters incorporated in the front access ramp and steps are unaffected by the proposals.
