Categories: Yasmin

Good morning, Gwion

Thank you for consulting the LLFA in relation to the above application. The proposals are not considered to be major as defined by the Town and Country Planning Order 2010. The LLFA is a statutory consultee in relation to surface water flood risk for major applications only and as such is not a statutory consultee for this application. As such the LLFA would make no formal comment.

Due to the fluvial flood risk associated with this site, the LPA should ensure the Environment Agency in relation to this application.

Many thanks

Rob
