01 Introudction/Conclusion

Ye Olde Red Lion, features a tarmac unmarked car park found at the rear of the hostelry.

It features two main external drinking areas founded at the rear; this consist of a pergola located next to the storerooms. The other is located on the upper patio area next to the pergola.

Ye Olde Red Lion boundary wall consists of a red brick. The patio area is where our proposal is to retain the newly fitted closed board fence in place of the damaged wall.

Telecommunication Details are irrelevant to the proposal.

All further and relevant information regarding Landscaping/Parking can be seen via the Public Highway

Site is accessible and site visits can be arranged if necessary.

The details provided is relevant in scale to our proposal.
