Subject: RE: 25/00676/OUT Read of Jacqueline Road, Field Head

Hi Ed,

As discussed yesterday, Laura contacted me around a month ago to discuss the proposals following the Planning Committee deferral, however she did not require any further information from us to be submitted.

Our attached observations dated 13th February 2026 remain the formal position of the LHA. We could not justify any further work from the Applicant and are satisfied with the highways work which has been undertaken.

I can also confirm the draft committee report you've sent is a good summary of our position and reflects responses we've provided to enquiries from members of the public in recent weeks.

Let me know if you need anything else!

Kind regards

Ben Dutton
