Customer objects to the Planning Application.

Comments:
Noise and disturbance from galvanised steel surround combined with hard play surface is inevitable as is loss of privacy when the structure is used as a climbing frame.(Contrary to Rec 4) Public amenity areas are for the use of all,not just provided for specific age groups.
Police approval irrelevant,not a licensing matter,perhaps Officer not aware of recent Drug seizure and prosecution at premises within 2 minute walk of proposed gathering place of young people!

Inevitable intimidation of young and old alike at nearby small childs play equipment with loss of safe footfall on footpaths long used to shops.
