Dear Chris,

Thank you for your re-consultation on the above planning application of 03 June 2025. I understand that the re-consultation is on the basis of an, 'Updated review of A5 Mitigation', report dated 25 May 2025 and prepared by DTA Transport Planning Consultants on behalf of Extra Room Self Storage Ltd. The report considers the potential for an alternative scheme at A5 Watling Street / Woodford Lane / Drayton Lane, which would retain all movements at A5 / Drayton Lane.

However, on the basis that the Local Highway Authority (LHA) can only consider proposals that are submitted by the Applicant (ERI MTP Ltd.), the LHA has no further comments to make. We therefore stand by our observations dated 21 February 2025, which advised approval subject to conditions.

Please do not hesitate to contact me if you have any queries.

Regards,

Adrian
