Details of the pre-application advice received

Based on the submitted details, the Local Planning Authority is unlikely to support a proposal for the provision of a bungalow and a two-storey dwellinghouse at 12 Park Road, Ratby due to its harm to the character of the surrounding area and to residential amenity of neighbours and the future occupants of the scheme. However, there is more opportunity for the Local Planning Authority to be supportive of a scheme for only the two-storey terrace-end dwellinghouse, subject to the revisions to the development in light of the comments highlighted within this pre-application response relating to design, the protection of residential amenity, and off-street vehicle parking.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
