Dear Sir,

Re: Proposed Dwelling at 5 Springfield Road, Hinckley, Leicestershire

I refer to your letter of the 4th September.

1 I have examined the two buildings existing on the site, a brick built garage and a timber garage, and I found no traces or evidence of animal life in or around either.
2 I enclose four copies of a Location Plan to a scale of 1:2500.
3 I enclose an Existing Block Plan to a scale of 1:500 together with a photograph of the existing buildings on the site.

Yours faithfully,

K.I. Payne.
