See Design & Access Statement for detailed comments.
In brief the points were that;
1. There are concerns over the access into the site in terms of visibility and enquiries must be made with the Local Highways Officer.
2. The site has a significant covering of trees and the Local Planning Authority will wish to see these retained either in their entirety or in significant numbers.
3. Subject to the detail the LPA would be happy in principle with retention of the existing house and addition of 1 or 2 plots within the grounds
4. In policy terms demolition of the existing house and comprehensive redevelopment of the site would be possible, however, the LPA suspects that existence of tree covering would go against this.
5. An application to the west of the site for a mobile home was refused on highway grounds.
