

Design & Access Assessment – Parking Extract

Extension of Bandroom for Ratby Band, Taverner Drive

Written by JAH

RBR 21 12 Rev. C 23.02.23

The existing site caters for 21 car parking spaces. The proposed site will cater for 21 car parking spaces.

Both pedestrian and vehicle access to the application site will remain as per the current configuration, with access provided via Taverner Drive.
