Dear Sullivan,

Thank you for your consultation on the above planning application.

Comments:

Having reviewed the application against the Leicestershire and Rutland Historic Environment Record (HER), we do not believe the proposal will result in a significant direct or indirect impact upon the archaeological interest of any known or potential heritage assets. Whilst we advise that the application warrants no further archaeological action (NPPF Section 16, para. 189-190) it is recommended that you consult Historic England and your own Conservation Officer regarding the impacts of the scheme upon the setting of the Registered Battlefield and the designated Ashby Canal Conservation Area.

Please do feel free to get in touch if you have any further queries.

Kind Regards,

William

Kind regards
