- ☐ **Householder development:** Development to an existing dwelling-house or development within its curtilage
- ☒ **Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

This application seeks permission to relocate the garage at Plot 165 from one side of the property to the other.

Please state why you wish to make this amendment

The proposed amendment is required due to the presence of a headwall within the adjacent ditch, which creates construction constraints on the approved layout. By reversing the position of the garage, it is relocated further from the headwall and set further back within the site. This provides an adequate construction stand-off, facilitating the safe and efficient development of the dwelling while maintaining the overall design intent and character of the approved scheme.
