This application seeks approval to carry out minor maintenance works to 52 trees and to remove 11 trees within Hollycroft Park. The application has been made by Hinckley & Bosworth Borough Council's Greenspaces Department in order to carry out routine maintenance works. No Policies.

**Appraisal:-**

After visiting the site, it is clear that the trees would benefit from some routine maintenance and due to the fact that most of the trees will be replaced, my recommendation is to approve the application.
