Comments Details

The following conditions are recommended:

Ventilation

- a) No development shall take place until a scheme for ventilation of the premises, which shall include installation method, maintenance and management has been submitted to and agreed in writing with the Local Planning Authority.
- b) The approved scheme shall be implemented in accordance with the agreed details before the premises are first brought into use for the development hereby approved and maintained in use thereafter.

Comments:

Noise Attenuation (Ventilation)

- a) Development shall not begin until a scheme for protecting neighbouring residential dwellings from noise from the ventilation system has been submitted to and approved by the Local Planning Authority
- b) All works which form part of the scheme shall be completed before any of the permitted dwellings are first occupied.

Light

- a) Details of any external lighting of the site shall be submitted to, and approved in writing by, the Local Planning Authority prior to the commencement of the development. This information shall include a layout plan with beam orientation

and a schedule of equipment proposed in the design (luminaire type, mounting height, aiming angles and luminaire profiles).

b) The lighting shall be installed, maintained and operated in accordance with the approved details.

Noise Management

a) Prior to coming into use, a noise management plan shall be submitted to and agreed by the Local Planning Authority on the management of noise from both the external areas of the pub and the glamping site.

b) The use shall be operated in accordance with the approved plan at all times.

Smoke

There shall be no bonfires permitted on the site.

Kind regards
