Comments Details

Comments:	With regard to the submitted Noise Management Plan (NMP): Please could this be updated in light of the proposed restriction in numbers of children- the NMP references 86 children the proposed limit is 29. The mature trees/hedges will not mitigate/absorb noise and this paragraph should be removed. The NMP should identify potential sources of noise e.g. persistent shouting, musical instruments etc and then detail how this will be managed. This may be conditioned. I would also recommend conditioning the operational hours (07:30-18:00 Mon-Fri).
