

STATUTORY DECLARATION OF ELIZABETH SUSAN MILLS
in support of application for a Lawful Development Certificate

I, Elizabeth Susan Mills, of 19 Stoneyford Road, Overseal, DE12 6NQ.

DO SOLEMNLY AND SINCERELY DECLARE that: -

1. My parents, Christopher and Melanie Cook, own the property Wincrowing Barn, Orton-On-The-Hill, Warwickshire, CV9 3NN where they have owned and kept ponies and horses.
2. In 2002 initially we moved to the Wincrowing Barn with the two ponies that I and my sister Victoria rode. As well as the ponies, my parents bred Sports Horses for Eventing, Show Jumping and Dressage. They also purchased a thoroughbred Point to Point Horse for my sister Victoria to ride, as she was working with a point-to-point trainer in the village. Then later they started the breeding and production of Thoroughbred Horses for horse racing on the Flat. I believe that my parents have owned, bred and produced a total of approximately 40 sports, point to point and thoroughbred horses since we moved to the Wincrowing Barn in 2002.
3. I lived at the Wincrowing Barn from November 2002, when all the family moved there. I lived at the Wincrowing Barn until 2014.
4. Whilst I lived with my parents and brothers and sister at the Wincrowing Barn, I rode my pony and looked after it. Namely I fed it, groomed it. mucked it out and took it to competitions. I also helped my mom in handling the sports horses and thoroughbreds and I assisted Mom with the foals
5. My parents purchased the field shelter as identified as Field Shelter No 1 on the plan shown to me as 'Exhibit 1' in 2010. Field Shelter No 1 was subsequently erected in 2010. Field Shelter No 1 was initially positioned and erected in 2010 alongside, and to the North, of Field Shelter No 2. Field Shelter No 1 was moved to its current position in 2014.
6. Field Shelter No 1 has been in an equestrian use since it was erected on site. My parents provided the Field shelters to provide shelter for the ponies and horses in the winter, bad weather, also shade and protection from flies and insects.
7. My parents purchased the field shelter as identified as Field Shelter No 2 on the plan shown to me as 'Exhibit 1' in 2008. Field Shelter No 2 has been positioned in its current position since it was erected to the date of this statement.
8. Field Shelter No 2 has been in equestrian use since it was erected on site. My parents painted the upper half of the inside of Field Shelter No 2 white, as they used Field Shelter No 2 for foaling down mares. The white paint improved the light and visibility inside the Field Shelter.
9. 'Exhibit 2' shows a photograph of Field Shelter No 2 that I posted on Facebook of the Mare "Ella" and her Eventing Foal, "MC Parco Pete", who was born in Field Shelter No 2, dated 27 April 2013.
10. My parents purchased the field shelter as identified as Field Shelter No 3 on the plan shown to me as 'Exhibit 1' in 2009. Field Shelter No 3 has been positioned in its current position since it was erected to the date of this statement.

11. Field Shelter No 3 has been in an equestrian use (providing shelter and protection for the horses, horses are also fed in the field shelters) since it was erected on site.
12. My parents purchased the field shelter as identified as Field Shelter No 4 on the plan shown to me as 'Exhibit 1' in 2012. Field Shelter No 4 has been positioned in its current position since it was erected to the date of this statement.
13. Field Shelter No 4 has been in an equestrian use (providing shelter and protection for the horses, horses are also fed in the field shelters) since it was erected on site.

I make this solemn declaration conscientiously believing the same to be true by virtue of the provision of the Statutory Declarations Act 1835.
