### Comments Details

Dear Matt,

23/01048/FUL | Change of use of a building from agricultural to residential and associated works | Land Off Hall Lane Hall Lane Odstone

Comments: Having reviewed the submitted trial trenching report (submitted 17/05/2024, CFA Report Ref.: 4478), I can confirm that no additional archaeological involvement will be required. I note the report includes a commitment to OASIS reporting with the Archaeological Data Service (ADS) and an accession number for the Leicestershire Museums Service (LMS). These provisions are in accordance with the planning requirements and the approved Written Scheme of Investigation.

Please do feel free to get in touch if you have any further queries.

Kind Regards,

William
