### Comments Details

No comments or objection.

Please Note: All businesses have a duty of care to ensure that any waste produced is handled safely and within the law.

Comments: All waste produced by a business including (but not limited to) paper, cardboard, cans, retail packaging, and food wrappers/waste, is commercial waste. For this reason, it legally has to be discarded in a certain way via a trade waste service or transfer station and cannot be disposed of through the residential service.

Please ensure there is adequate space on the property to store the waste containers for the business.

Businesses should arrange their own business/trade waste collection service. If you give your waste to someone else you must be sure that they are authorised to take it and can transport, recycle or dispose of it safely

Kind regards
