Subject: Planning Application - 25/00186/CONDIT - Land Off Captains Lane, Markfield, Leicestershire - NH Response

Good morning Matt,

Thank you for inviting National Highways to comment on the above referenced application. Having gone through the associated documents, we can confirm that our position remains unchanged from our response to the previous application at the site (Application reference – 24/00074/CONDIT) as the proposed variations will not have any impact on the Strategic Road Network (SRN) or the users of the SRN. As such, we do not have any objections to the application.

Kind regards,

Ijas Muhammed
