Comments Details

Comments:	As advised we do not travel along shared/private driveways and wheeled bins will not be collected from these properties.
	A bin collection point will need to be included on the boundary of the highway for residents to be able to dispose of their waste.
	The collection point for domestic recycling, garden waste and refuse is from the adopted highway boundary.
	Please ensure you make adequate and safe provisions for waste and recycling storage of containers

Kind regards
