Hi Ed

As discussed these are the four applications that I'm going to be writing up for refusal for January Committee as one single report

The overall total is 125 dwellings which is an increase of 29 on the 51 that were approved at Appeal (21/00695/FUL - March 2023) and the 45 that had a subsequent delegated approval (22/01053/FUL – Oct 2023)

Thanks

Tim
