Hi David,

See below response from our PE department.

From a PE perspective we will do most of our outdoor focused lessons on the new development, including but not limited to:

Football, Rugby, Athletics, Multi Sport, Netball, Tennis, Leadership, Fitness

KS4 Examination courses can complete their practical work on there

KS4 Core PE will be on there.

Multi sports is our sport education block where the scheme of work is based on the holistic skills physical education brings eg communication, problem solving, decision making, creation of tactics and strategies.

Break/lunch time space sports

Extracurricular clubs/Fixtures

External lettings including Hockey/Tennis/Football

Thanks

Tom
