Please can the email and attachment be added to Enterprise for application 24/01157/HYB and please could the local highway authority be re-consulted for 21 days asap?

Thanks very much.

Ben,

Further to LCC's recent consultation response on the above application, please see attached a letter we have prepared that seeks to address the outstanding highways matters raised.

Hopefully the content of the letter will be sufficient to allow LCC to confirm it does not object to the proposals. However, if you have any queries or require further information please do not hesitate to get in touch.

Kind regards
