

This architectural elevation drawing shows a building with a complex roofline and facade. The building features a combination of brick, light-colored panels, and dark corrugated metal. Key elements include a flat roof with a railing, a gabled section with a dark roof, and a series of windows and doors. The drawing is annotated with letters P through V, each pointing to a specific material or feature:

- P**: Points to the light-colored panels on the upper left section.
- Q**: Points to the brickwork on the upper right section.
- R**: Points to the light-colored panels on the lower left section.
- S**: Points to the dark corrugated metal roof of the gabled section.
- T**: Points to the brickwork on the lower right section.
- U**: Points to the dark corrugated metal siding on the far left.
- V**: Points to the brickwork on the far left section.
- N**: Points to the brickwork on the lower left section.
- H**: Points to the brickwork on the lower left section.
- F**: Points to the brickwork on the lower right section.
- H**: Points to the brickwork on the lower right section.
- M**: Points to the brickwork on the far right section.
- N**: Points to the brickwork on the far right section.

This architectural elevation drawing shows a long, low building with a brick facade and a dark, corrugated metal roof. The building features several windows and a central entrance. A tall, narrow structure, possibly a chimney or ventilation stack, rises from the roofline. The drawing is annotated with letters A through V, indicating specific features or materials. The background includes stylized, light-colored rock formations. The ground is represented by a dark, flat surface.
