Details of the pre-application advice received

Jonathon Warner visited the site in July and advised the client to apply for change of use for the land from agricultural to residential.

Pre-application with Sullivan Archer dated 4th September 2024:

"I have reviewed aerial imagery of Hollytree Cottage, Sheepy Magna and the recent appeal decision at 12 Rodney Gardens. Based on the this, and the information you have provided, it is my informal opinion that the submission of a planning application to convert the land associated with Hollytree Cottage from agricultural land to residential garden space would be appropriate."

Sullivan advised that any potential planning permission would likely be conditioned to remove Permitted Development Rights from the site.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
