Comments Details

Commenter Type:	Other
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Whilst this application is within the Market Bosworth Conservation Area it is not in the Society's Consultee inbox. We are not therefore able to add comments as Consultees. We do support the proposed works as described. We ask that they be carried out in such a manner by a professional arborist as to cause minimal damage to the tree.

Kind regards
