Morning Alex

Please accept my apologies for the delay in getting back to you.

I have had a look at the attached plans, there isn't any measurements of the walking distances, can you please confirm that the crews will be walking no further than 5 meters to the bin collection points for the following plots?

1-4
13-17
24-27
28-32
59-62
64-67

Thank you

Kind regards

Jo

Good afternoon,

I hope you are well?

I am due to take the above referenced planning application 24/00461/REM to the January Planning Committee (21st Jan) for determination, and I would appreciate it, if you could confirm that you have had sight of the attached refuse management plan and whether you have any comments please? I note that you have been consulted on this application by the planning team but just wanted to double check that you had seen the very latest details?

If you could let me know at your earliest convenience that would be really helpful?

Kind Regards
