Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

I propose to lease an industrial unit located a Units 2/3, Merrylees Industrial Estate, The Sidings, Desford, Leicester LE9 9FE and change its use from Class 2B to Class E to. The specific details of the proposed development or works are as follows:

Current Use: The industrial unit is currently vacant. Previously, it was used by Comer Industries (UK) Ltd for general industrial purposes, specializing in the engineering and manufacturing of power transmission systems and components for various industrial applications, including agricultural machinery and construction equipment.

Proposed Use: The intended use of the unit will be as a gymnastics club, offering physical activities for children and adults. Initially, the facility will accommodate 200 children for gymnastics classes, with the potential to reach 350 children per week within the first 6 months. This change aims to provide a valuable service to the community by promoting physical fitness and healthy lifestyles.

Modifications and Improvements:

Interior Alterations: The interior of the unit will be reconfigured to accommodate the new use. This includes constructing new partition walls, installing appropriate flooring, and upgrading electrical and plumbing systems as needed.

Exterior Changes: Minimal exterior modifications are anticipated. These may include improved signage, updated entryways, and enhancements to comply with accessibility standards. Additionally, we will redesign the parking area around the building in a herringbone pattern to provide 25 parking spaces, ensuring adequate parking for parents, staff, and adult participants.

Operational Changes: The operational hours will be adjusted to 4pm - 8pm being with anticipated staffing levels of 3 employees. There will be a focus on maintaining low noise levels and minimizing disruption to neighbouring properties. The busiest time for business will be after 5pm at this time all other local business to the site are closed for the day.

Parking and Traffic Impact: The proposed change of use is expected to have a minimal impact on local traffic and parking. A parking plan will be implemented to ensure adequate space for customers and employees, and any necessary traffic management measures will be coordinated with local authorities. Classes for most children with us are drop off and go and parent do not stay

Community Benefits: The new use of the unit as a gymnastics club is expected to bring various benefits to the community, including:

- Promoting physical fitness and healthy lifestyles among children and adults.
- Providing a safe and structured environment for children to engage in physical activities.
- Creating job opportunities for coaches, administrative staff, and maintenance personnel.

This change of use will transform the unit into a more versatile and beneficial space, supporting the evolving needs of the community while maintaining compliance with all relevant regulations and standards.

Details of the pre-application advice received

On 13/06/2024, Joshua Bull, Head Coach/Director of BullGnG Ltd, met with Graeme Chilvers, Health and Recreational Manager at Hinckley and Bosworth Council, to discuss the proposed plans and received his support for the project.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
