Thank you for allowing me to comment on the above development.

In this instance we do not object to the development as proposed.

However, we must emphasize the following;

Central Networks has Network within close proximity to the proposed site.

Please contact Aim Bureau Services at Toll End Road, Tipton, DY4 0HH or phone 02476 186502 to obtain copies of our mains records. There may be a charge levied for this service.

For information regarding the safety of working around our networks, please contact our Cablesafe Team on 0800 0150 927 or on http://www.eon-uk.com/distribution/

We must emphasise that any alteration, building or ground works proposed in the vicinity of our cables that may or may not directly affect our cables, must be notified in detail to Central Networks.

For further information please contact me at Central Networks, Pegasus Business Park, Castle Donington, Derbyshire DE74 2TU or email customerworks@central-networks.co.uk

Yours sincerely
P.Das
