Dear Nicholas,

Re: Discharge of condition 2 of planning permission 08/00344/FUL

I refer to your recent submission of details for the discharge of condition 2 of the above referenced planning application. Having now received confirmation from the Environment Agency that the lands former use was agricultural, and thus that they wish to withdraw their objection, I can confirm that condition 2 is discharged.

I hope this clarifies the situation, however should you have any further queries relating to this matter, please contact me, Eleanor Shaw on 01455 255961.

Yours sincerely

Eleanor Shaw
