Given the scale of development and due to the volume and complexity of technical evidence submitted the Local Highway Authority (LHA) would advise the Local Planning Authority that whilst the analysis has commenced formal observations are still forthcoming. As a result the LHA would request that you arrange for your Council not to determine the application before the LHA has had the opportunity to establish whether the residual cumulative impact of development can be mitigated in accordance with paragraph 111 of the NPPF (2023).
