Dear Mr Hicks,
30 Northumberland Avenue, Market Bosworth. 08/00620/FUL

Further to our conversation of earlier today I confirm that I wish to withdraw the above application temporarily.

I understand that there are issues with regards to ensuring the protection of the TPO tree, adjacent to the proposal, to be resolved prior to an approval being considered.
I look forward to receiving comments/guidance in connection with same.

Thank you in anticipation.
