Memorandum

From: **JOHN VERNON.**

To: DEBBIE BATES.

Subject: WORKS TO TWO ASH TREES, WOBURN CLOSE, HINCKLEY.

Your Reference: **My reference: UA/HKY/09/08.**

Date: **17 September, 2008**

The two trees listed above grow on the boundary of a public open space adjacent to a house which is on the market. I am assuming that prospective purchasers require the trees to be made safe prior to buying the property.
Due to the maturity of the trees, the proposal to reduce the canopies by 20% and to take out any deadwood is sound practice and should be approved as requested.
