SILVAN ENTERPRISES
James Hayles HND. RRM.
Tree Surgery, Spraying Specialists & Ground Maintenance

Quotation

22nd July 2011

Mrs. T. Ashby
11 Middlefield Court
Middlefield Lane
Hinckley
Leicestershire
LE10 0QT

Re: Tree Surgery

Further to our meeting, I hope the following covers all the points raised; if not please do not hesitate to contact me.

1. Conifer tree – Remove to ground level.
2. Horse Chestnut tree – Reduce the lower branches to give a 2.5 meter clearance from the building. Climb and carry out an inspection of the tree and submit a report detailing the trees health and status as discussed.

£720 plus vat

Should the quotation be acceptable copies of my insurance policy, method statement and risk assessment can be made available for you to see.

All brash and timber will be chipped/removed leaving the garden clean and tidy.

Yours sincerely

James Hayles
