Pen Enclosure.

The pen wall enclosure has been removed, brickwork unstable and iron railings heavily corroded and beyond repair.

A level 3 Building Recording of Atherstone Hunt Stables and Kennels has been prepared by the Historic Environment Consultancy.

The report provides a summary and a detailed photographic survey of existing buildings and surrounding structures.

The archive has been deposited with Leicestershire County Council Museum.

To retain historic reference to the pen enclosure, brick walling with blue brick plinth coping and iron railings will be constructed to the frontage of plot 8.
