Scott,

Further to our meeting with you and Simon Wood at 10.30am this morning, at the Council Offices, Mr Alec Statham, the Agent for the application, has asked me to confirm in writing his verbal instruction to you, given at the meeting, to withdraw the application(s) forthwith, pending a fresh application being made along the lines discussed.

I hope this will suffice for your purposes - if so, please confirm the the requested action has been taken and whilst doing so, would you please provide me with your Direct Dial Telephone No. so that if there are any queries during the preparation of the replacement application, we can get in touch with you.

Likewise, if this is not in some way sufficient, we need to know as soon as possible!

Thank you for your time this morning which was most helpful in scoping a way forward.

Stephen Clarke
(on behalf of A. Statham)
